HEADQUARTERS
COMPANY B, 2677 REGT
OFFICE OF STRATEGIC SERVICES (PROV)
APO 534, U.S. ARMY

30 September 1944

TO: Mr. Zsolt Aradi

FROM: Major Howard M. Chapin

I have your memorandum of the 26th asking that you be given an opportunity to clarify some of the misunderstandings which may have arisen from statements made by Lt. Dumon. I can give you full assurance that the organization has complete confidence in you and that we have accepted you without reservation for the work in which you are now engaged. On this point Mr. Jones, Intelligence Officer, Major Kohler, Security Officer, and others for whom or with whom you will be working, are completely agreed.

The recent conclusive change in the direction of the Hungarian Desk will, I hope, be sufficient evidence to you that the opinions expressed and statements made by the former chief have been found to be completely unreliable and can in no way reflect any discredit on you.

If this memorandum does not clarify your situation adequately, I shall be very glad indeed to talk to you further.

Howard M. Chapin
